Hey Sarah! I hope all is well, and you are doing great. Do not want to bother you, but just wanted to catch up and see if there were any updates or if I should move forward and connect with DWP? Please, let me know whenever you can! Looking forward to hearing from you.

Much Gratitude,  
Delilah Shahbazian

Morning Kwasi,

Last night crews completed cleaning the catch basins at Foothill and Wheatland. See below pics.

Note: the basins were filled with a lot of soil. See below pics of a LADWP project that is causing the soil to come down the street during rain events.

Sara/Delilah, do you have contact in DWP to address this issue?

Kyle,

See request below. This location happens to be the 359 Route which is due this month. I also counted 13 CB's in the vicinity of Wheatland/Foothill. Please review and have Patricia assign if not done already.

We will need before/After pics if able to take them. One of the structures is [35912461111024](#)

Good morning,

Can we please look into the storm drains at this location in CD-7? Foothill Blvd and Wheatland Avenue. I have attached the images onto this email. If possible, can we work on cleaning the storm drainage?

To: Sarah Bell <[sarah.bell@lacity.org](mailto:sarah.bell@lacity.org)>

Good afternoon, Sarah,

I hope this email finds you well! I hope you and your family are safe and sound.

Just wanted to check in and share a new location for a storm drainage clean up; is possible. A quick check in for the 'supposed' trash can on Commerce Avenue. I noticed it again during my community drive. Is there a possibility to check on this? I can also make phone calls if need be!

Second, I drove to a case site on Foothill Blvd and Wheatland Avenue. I have attached the images onto this email. If possible, can we work on cleaning the storm drainage?

Looking forward to hearing from you!  
Much Gratitude,

Delilah Shahbazian
